### Other pictures

Any picture you see on my website can be printed on a bespoke basis, so again, please enquire.

#### *Note about framing.*

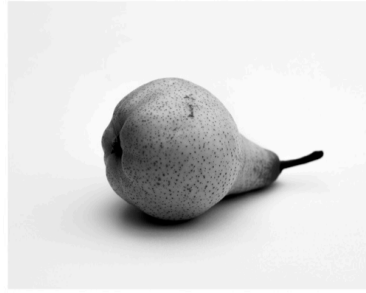

*It doesn’t make a lot of sense to send framed work through the post, so buyers are recommended to use their own local framing service. For anyone living locally to Bath or Radstock, Pricelis will gladly quote for framing to be collected in person.*

### How to buy

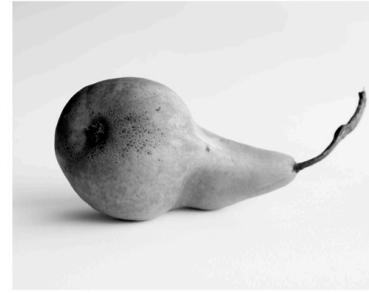

This is not an actual virtual online shop so please e-mail me at [ian@ian-harris.com](mailto:ian@ian-harris.com), using the Subject line: Picture Print Enquiry

Thanks!

PS - if you’re reading this in 2024 and I haven’t yet updated prices, please note that prices may have had to be increased, so kindly enquire!
